Searching…

We are searching for Eagle Scout addresses for upcoming Eagle events hosted by the Heart of America Council.

Your help is needed in making the Eagle Fellowship event a success. We want to locate as many as possible of the nearly 42,000 Eagle Scouts of the Heart of America Council dating clear back to the year 1920. We also will include those Scouters who earned the Eagle rank outside of the Heart of America Council. A personal invitation is being prepared to be mailed individually to each of the Eagles…..BUT WE NEED TO KNOW THEIR PRESENT MAILING ADDRESS.

Please e-mail lstaack@bsamail.org or mail a list of your eagles' names, address (street address, city, state and zip), the year the Eagle was received, and the troop number where the Eagle was earned. Please also include any Scouters associated with your unit that earned the Eagle rank outside of the Heart of America Council.
